Eagle's Landing Golf Course Named '#1 Golf Course in Maryland' by Golfer's Choice

Ocean City, MD - (January 20, 2022): Ocean City, Md., may be known for its iconic Boardwalk and 10 miles of beautiful beach, attracting visitors year-round for a seaside vacation. However, in the golf community, Ocean City is known as the home to [Eagle's Landing Golf Course](#) – which has just been named “#1 Golf Course in Maryland” by [Golfer's Choice](#) for 2021. Golfer's Choice is a compilation of customer reviews from GolfPass.com that includes reviews in the following categories; conditions, value, layout, friendliness, pace of play, and amenities. Eagle's Landing previously reached #1 in 2016 and spent the last two years in the top 3 for Maryland golf courses.

"We are thrilled to be ranked #1 on the Golfer's Choice list and the greatest thing about this ranking is that it comes from our customers," said Bob Croll, Head Golf Professional at Eagle's Landing Golf Course. "Eagle's Landing is truly a crown jewel of Ocean City that showcases the beauty of the Eastern Shore environment, offers a challenging championship course, and provides great customer service."

Designed by renowned golf course architect Dr. Michael Hurdzan, Eagle's Landing was recognized on Golfer's Choice for its lush greens, an abundance of wildlife, and spectacular views of the Sinepuxent Bay and Assateague Island National Seashore. The 18-hole championship golf course features a variety of water holes, large white-sand bunkers, elevated tees, rolling fairways, and contoured greens. Eagle's Landing is committed to protecting and preserving its natural resources and habitat, and is the first fully certified Audubon Sanctuary in Maryland.

Eagle's Landing offers GPS-equipped golf carts, a full-service café, a well-stocked clubhouse, and a local rewards program for year-round residents of the Ocean City area. The program offers discounted green fees and rewards for free golf. Walking is also permitted at any time. For more information about Eagle's Landing, visit www.EaglesLandingGolf.com.
